
Farm Lessons 17 Pdf

While we all are closely monitoring the situation related to COVID-19 and keeping an eye on updates as the situation changes. We are canceling large group lessons, activities and events. However, we are still planning to provide private, small group horsemanship lessons and other farm activities. We will be using the outdoor arena and implement recommended best practices for all.

"Common Horse Sense"

We want to personally encourage everyone going through these hard times to see the world in a different light and find some joy in it... embrace an opportunity to spend more time with your loved ones and pets; to work on personal improvement and horsemanship goals, a time to reflect and work on the other stuff we never seem to have enough time for. We're looking forward to seeing you all in Joy and Good Health.

We'll keep you "Posting" (posted) as things develop!!

God Bless,
Liz Guaraldi
